CAREER OBJECTIVE

Seeking a Full Stack Developer Internship where I can apply my web development skills, gain hands-on experience, contribute to real-world projects, and continuously enhance my technical knowledge while growing as a professional Full Stack Developer.

KEY PROJECTS

Personal Portfolio Website

HTML, CSS, JavaScript

- Architected and developed a fully responsive personal portfolio from scratch to establish a professional online presence.
- Integrated dynamic sections showcasing technical projects, skill sets, certifications, and contact information effectively.
- Ensured cross-browser compatibility and optimized layout for mobile devices using modern CSS practices.

Modern Web Calculator

HTML, CSS, JavaScript

- Built a functional, responsive web-based calculator featuring a sleek and modern user interface.
- Implemented core arithmetic operations using JavaScript logic, handling user inputs and dynamic DOM updates seamlessly.

EDUCATION

Jaipur National University

2025 – 2028

Bachelor of Computer Applications (BCA)
